

What's New

ISACC students attending a presentation by Dr. Vermette titled: 'The Growing Evidence of a Changing Climate'. ISACC students attending Buffalo's Climate Change March. Students also attended the earlier March for Science.

There is a new student club on campus: 'Informed Students Addressing Climate Change' (ISACC). If interested, check out their Facebook page, as well as 'bengalconnect', and consider getting involved in Fall 2017.

Zachary Greymont, co-host of WeatherBUFF on WBNY radio graduates in May. We thank Zach for his on-air efforts and wish him the very best after graduation.

91.3fm *WBNY*

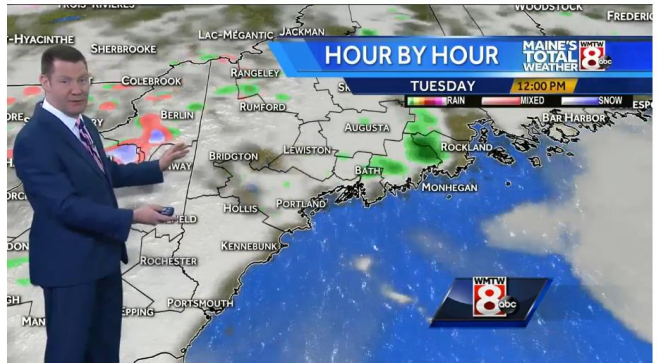

WeatherBUFF radio (hosts Jack Kanack and Zachary Greymont) recently interviewed Dr. Michael E. Mann (Distinguished Professor of Atmospheric Science at Penn State) on WBNY radio (campus radio station). The interview focused on climate change and the Trump administration. **Click** here for the interview.
